

3d. National Days of Service

Programs must plan and implement at least three special community service projects. At least two of the three events must coincide with another approved National Service day unless prior written permission is provided by Nevada Volunteers. These media-worthy events should have significant impact on one of the AmeriCorps service focus areas and meet a local community need. Members are encouraged to recruit, train and supervise a substantial number of community volunteers to implement the projects. Notify your Nevada Volunteers contact about these events in advance so that we can share these events with our network. Programs are encouraged to collaborate regionally with other AmeriCorps or CNCS programs (e.g. Senior Corps, VISTA). National Service Days include the following: [September 11 National Day of Service and Remembrance](#), [Martin Luther King, Jr. Holiday](#), [National Volunteer Week](#), and [AmeriCorps Week](#).
