Getting Things Done for America

AmeriCorps engages more than 80,000 men and women in intensive service each year at more than 21,000 locations including nonprofits, schools, public agencies, and community and faith-based groups across the country. AmeriCorps members help communities tackle pressing problems while mobilizing millions of volunteers for the organizations they serve. Members gain valuable professional, educational, and life benefits, and the experience has a lasting impact on the members and the communities they serve.

AmeriCorps consists of three main programs: the state and national AmeriCorps program, whose members serve with nonprofit and community groups across the country; AmeriCorps VISTA, through which members serve full-time addressing poverty and building the capacity of nonprofit organizations; and AmeriCorps NCCC, a team-based residential program for young adults 18-24 who serve in public safety, the environment, youth development, and disaster relief and preparedness.

Strengthening Nonprofits and the Volunteer Sector

Strengthening nonprofits: AmeriCorps members help faith-based and community groups expand services, build capacity, raise funds, develop new partnerships, and create innovative, sustainable programs.

Encouraging competition and local control: AmeriCorps pushes funding and decision-making to the state and local level. Most grantees are chosen by bipartisan state commissions appointed by the governor.

Advancing social innovation: AmeriCorps invests in entrepreneurial organizations that have been recognized for their innovative approaches to citizen problem-solving such as Citizen Schools, City Year, Experience Corps, Teach For America, and YouthBuild.

Expanding Educational Opportunity and Building Future Leaders

Expanding educational opportunity: In exchange for a year of full-time service, AmeriCorps members earn a Segal AmeriCorps Education Award (equal to the maximum Pell Grant) that helps pay for college or pay back student loans. AmeriCorps members have earned more than \$3.3 billion in these awards since 1994.

Preparing the 21st Century Workforce: AmeriCorps is a pathway to economic opportunity that provides members with valuable skills specific to their service (construction, teaching, weatherization, etc.) as well as general skills of leadership and problem-solving that all employers are looking for.

Creating future leaders: AmeriCorps members gain new and useful skills, advance their education, and become more connected to their communities. A longitudinal study has shown that AmeriCorps alumni are more likely to be civically engaged, to go into public service careers—such as teaching, public safety, social work, and military service—and to volunteer in their communities.

Leveraging a Powerful Return on Investment

Public private partnerships: AmeriCorps leverages substantial private investment—more than \$480 million in non-CNCS funds each year from businesses, foundations, and other sources. AmeriCorps has cut costs and become more efficient by supporting more members with fewer federal dollars.

Mobilizing volunteers: AmeriCorps is a powerful catalyst and force-multiplier for community volunteering. In 2015 AmeriCorps members recruited, trained, and supervised more than 2.3 million community volunteers for the organizations they serve.
