# FULL TEXT OF THE NOTICE

## A. PROGRAM DESCRIPTION

### A.1. Purpose of AmeriCorps State and National Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members serve with organizations dedicated to the improvement of communities and those serving.

AmeriCorps grants are awarded to [eligible organizations](#) that engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is a person who does community service through AmeriCorps. Members may receive a living allowance and other benefits. After successful completion of their service, members earn a [Segal AmeriCorps Education Award](#) they can use to pay for higher education expenses or apply to qualified student loans.

### A.2. Funding Priorities

For this funding opportunity, AmeriCorps will prioritize consideration from organizations that:

Serve Communities:

- Serve communities with concentrated poverty, rural communities, tribal communities, and historically underrepresented and underserved individuals. These may include people of color, immigrants, refugees, people with disabilities, LGBTQIA+ individuals, people with arrest or conviction records, religious minorities, etc.;
- Implement programs for or expand access to high-quality youth mental health and substance use recovery services and prepare AmeriCorps members to enter behavioral health careers. These may include individuals with lived experience with substance use and mental health challenges to support youth mental health efforts and continued AmeriCorps work on the opioid epidemic;
- Focus on improving the quality of life for veterans, active-duty members of the Armed Forces, and their families by recruiting veterans, military spouses, and their older children into national service;
- Promote environmental stewardship to help communities (especially underserved households and communities) to be more resilient by reducing greenhouse gas emissions, conserving land and water, increasing renewable energy use and improving at-risk ecosystems;
- Support civic bridgebuilding programs and projects to reduce polarization and community divisions; and providing training in civic bridgebuilding skills and techniques to AmeriCorps members;

Benefit AmeriCorps Members:

- Provide benefits to AmeriCorps members aimed at enhancing member experience and bolstering member recruitment and retention such as paying more than the minimum living allowance, transportation, housing, food, etc.;
- Create workforce pathways for AmeriCorps members, including deliberate training, certifications, and hiring preferences or support;

- Enhance and expand services to second chance youth and/or engage those youth as AmeriCorps members;
- Develop and train the next generation of diverse public health leaders through service while addressing pressing community health challenges. Review Public Health AmeriCorps Priority in the Mandatory Supplemental Information for eligibility information;

#### Use Evidence

- Utilize reports from the [AmeriCorps Evidence Exchange](#) on programs assessed as having Moderate or Strong evidence to scale, replicate, or adapt the intervention;

#### Faith-Based

- Organizations that are faith-based; and

#### American Climate Corps

- Please note that applicants may propose projects to be affiliated with the American Climate Corps (ACC), which is a federal government national service and workforce development initiative focused on training young people for the clean energy and climate resilience workforce. Applicants who are interested must demonstrate that their project funds ACC eligible positions meeting the following criteria:
  - The position has verifiable climate or environmental impact.
  - The position is temporary (term-limited), and the term length is at least 300 hours.
  - The position includes skills-based training as part of the program and provides a pathway to employment.
  - The position must receive a living allowance and, in some cases, may receive additional member benefits.

Applicants submitting a workforce development project to qualify for affiliation with the ACC should note that in their application. Successful applicants will be notified if they are part of the ACC and may be subject to additional reporting requirements.

To receive priority consideration, applicants must show the priority area is a significant part of the program focus and intended outcomes. Priority consideration does not guarantee funding.

### **A.3. Performance Goals or Expected Outcomes**

#### **National Performance Measures**

All applications must include at least one aligned performance measure, output and outcome, that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. For more information, refer to the [National Performance Measure Instructions](#).

#### **A.4. Program Authority**

Awards under this Notice are authorized by the [National and Community Service Act of 1990](#), as amended, [42 U.S.C. §12501 et seq.](#)

## **B. FEDERAL AWARD INFORMATION**

### **B.1. Estimated Available Funds**

AmeriCorps expects a highly competitive AmeriCorps grant competition. Given limited funding, AmeriCorps may prioritize funding existing grantees instead of making new awards. The actual level of funding depends on annual appropriations.

### **B.2. Estimated Award Amount**

Award amounts will be different depending on the scope of the projects.

### **B.3. Period of Performance**

AmeriCorps plans to make three-year grant awards. AmeriCorps generally makes an initial award for the first year of the three-year period of performance. Applicants must submit a one-year budget. Applicants may propose any project start date that fits their program design. The period of performance may not start before July 1, 2025. Continuation awards for future years are not guaranteed; they depend upon future appropriations and satisfactory performance.

### **B.4. Type of Award**

AmeriCorps makes available different types of grants. The chart below summarizes these grant types and their distinct characteristics.

\*\*\*Use Mandatory Supplemental Information (MSI) for further requirements

## B.5. Cost Sharing or Matching

### Cost Reimbursement Grants

Applicants are required to match funds provided by AmeriCorps. The applicant’s match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must show that they can meet the match requirement when they submit the application. Applicants must say in their application if they have already secured the match funding.

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every three years to 30 percent by year ten.

AmeriCorps Funding Year	Years 1,2, and 3	Years 4,5, and 6	Years 7,8, and 9	Years 10 +

### Match Waiver

Please use the Match Waiver information for AmeriCorps State and National Grantees located on the AmeriCorps.gov [Manage Your Grant](#) webpage. AmeriCorps encourages Tribal Nations to request match waivers to reduce barriers. Every effort will be made to reduce the match requirements to improve accessibility to funding.

### Fixed Price Grants

There is no cost share or matching requirement for Fixed Amount grants. AmeriCorps does not provide all the funds necessary to operate the program. Organizations should raise the funds needed to operate the program.

## C. ELIGIBILITY INFORMATION

### C.1. Eligible Applicants

The following non-Federal organizations are eligible to apply:

- Indian Tribes;
- institutions of higher education;
- local governments, including school districts;

## **New Applicants**

AmeriCorps encourages organizations that have not received funding from AmeriCorps before to apply, e.g., small community-based organizations, faith-based organizations, etc. All new applicants who plan to place AmeriCorps members solely in Nevada, must contact Alicia Blood, Director of AmeriCorps, [alicia@nevadavolunteers.org](mailto:alicia@nevadavolunteers.org) or (775) 825-1900, directly before beginning an application. It is Nevada Volunteers' goal to partner with organizations interested in hosting an AmeriCorps program to create strong programs for the state of Nevada. This partnership will require frequent, open communication.

## **New applicants can apply for Cost Reimbursement and Education Award Program (EAP) grants but cannot apply for Full Cost Fixed Amount grants.**

### **Types of Applicants**

#### 1. State and Territory Service Commissions, for Single-State Applicants

Organizations that plan to operate in only the state of Nevada must apply through Nevada Volunteers, the state or territory commissions, following the instructions in this notice.

#### 2. National Direct Applicants

*Multi-State:* Organizations that plan to operate AmeriCorps programs in more than one state or territory apply directly to AmeriCorps. AmeriCorps expects new/recompete Commissions and National Direct applicants to consult and coordinate activities at the local level, as specified in [42 U.S.C. § 12583](#). This consultation is to ensure coordination and the effective use of national service resources. Nevada Volunteers uses the America's Service Commissions Single Form consultation process for this requirement which can be found here: <https://www.surveymonkey.com/r/8NJWXDW>

#### 3. Federally recognized Indian Tribes:

Applicants that are Indian Tribes apply directly to AmeriCorps.

In addition to Indian Tribes, as defined in [2 CFR 200.1](#), tribal organizations that are controlled, authorized, or chartered by Federally recognized Indian Tribes are also eligible to apply directly to AmeriCorps.

Federally recognized Indian Tribes will also be eligible to apply for operating or planning grants under a separate Notice of Funding Opportunity for Indian Tribes at the [AmeriCorps.gov Funding Opportunities webpage](#) with an application deadline in the spring.

### **Threshold Issues**

Specific types of applicants must meet the following requirements:

- Professional Corps must show that the community where it will place AmeriCorps members has a shortage of professionals in the relevant area, e.g., teachers, medical professionals, etc.
- If service activities require special member qualifications and/or training, such as [tutoring programs](#), the applicant must describe how these requirements will be met.

- All applicants must propose program designs that are either evidence-based or evidence-informed. Applicants assessed as lower than the Preliminary evidence tier must provide adequate responses to the Evidence Quality review.

### **Nevada Volunteers Specific Requirements**

All programs operating in Nevada must address each of the Nevada Volunteers identified expectations below in their applications:

- Inclusive in the design and delivery, making the program accessible to individuals with disabilities.
- Program must be managed by a full-time program director budgeted for in the application.
- Nevada Volunteers elects to retain a share of 30 percent of the five percent of the federal funds available to programs for administrative costs (1.5 percent of the overall CNCS share). Subgrantees are required to allocate this Administrative Cost to be retained by Nevada Volunteers for administrative oversight.
- Programs are required to conduct one National Day of Service each grant year.
- Programs are required to budget for staff to attend one technical assistance meeting sponsored by America's Service Commissions each grant year.
- Programs are required to budget for the \$350 membership fee with America's Service Commissions.
- Programs are required to budget \$5 or \$10 per member per year for a Member Assistance Program.
- Programs are required to budget for the cost of the NSOPW, state check and/or FBI check for criminal history checks for each covered position in the budget. If funds are not budgeted, an explanation for how the costs will be covered must be noted in the budget. Nevada Volunteers requires the use of approved vendors Truescreen and Fieldprint for these checks.

### **C.2. Other Eligibility Requirements**

Organizations that have violated a Federal criminal statute may not receive AmeriCorps funds.

Organizations that propose activities that are not allowed by AmeriCorps' laws, rules, or terms and conditions cannot receive AmeriCorps funding.

Organizations that have any unpaid federal tax liability are not allowed to receive an award. AmeriCorps cannot provide funding to any corporation that has unpaid federal taxes that are not being paid through an agreement with the relevant tax authority. However, this does not apply if a federal agency decided that a suspension or debarment for the corporation is not necessary.

Organizations that are described in the [Internal Revenue Code of 1986, 26 U.S.C. §501 \(c\)\(4\)](#) that lobby cannot receive AmeriCorps funding according to the [Lobbying Disclosure Act of 1995](#).

This Notice is not subject to [Executive Order 12372](#), *Intergovernmental Review of Federal Programs*.

## D.6. Funding Restrictions

### D.6.a. Award Funding Requirements

#### 1. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must follow the limits in the table below. Organizations applying for Cost Reimbursement grants must include the living allowance in the budget, either as AmeriCorps share or match.

Fixed Amount grant applicants must give members a living allowance that follows the minimum and maximum amounts in the chart below and should indicate that amount in the application.

**Table: Minimum and Maximum Living Allowance**

<b>Slot Types</b>	<b>Minimum # of Hours</b>	<b>Minimum Living Allowance</b>	<b>Maximum Total Living Allowance</b>
Full-time	1,700	\$20,400	\$40,800
Three Quarter-time	1,200	n/a	\$28,560
Half-time	900	n/a	\$20,400
Reduced Half-time	675	n/a	\$15,504
Quarter-time	450	n/a	\$10,608
Minimum-time	300	n/a	\$8,568
Abbreviated-time	100	n/a	\$2,448

#### Exceptions to the Living Allowance Requirements

**a. Programs existing prior to September 21, 1993**, do not have to offer a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

**b. Education Award Program (EAP) Grantees** are not required to provide a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

**c. Professional Corps Grantees** must provide members a living allowance or salary. Organizations must pay members the minimum and can exceed the maximum. Professional Corps member salaries and benefits including childcare cannot be included in the federal share budget request to AmeriCorps.

#### 2. Maximum Cost per Member Service Year

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a member may earn.

AmeriCorps is keeping the maximum cost per MSY at the same amount as FY 2024 as a safeguard to ensure the number of members serving remains the same or grows. The agency

is committed to and prioritizes applicants that maintain or grow the number of AmeriCorps members proposed to serve in their programs without increasing the requested cost per MSY.

**Table: Maximum Cost per MSY**

<b>Grant Program</b>	<b>Maximum</b>
Individual Competitive State/Territory Program (cost reimbursement)	\$25,000
Professional Corps competitive Fixed Amount Applicants/Grantees	\$1,000*
Full-cost competitive Fixed Amount Grant	\$25,000
Education Award Program (EAP) Fixed Amount Grant (competitive and formula)	\$800 or \$1,000**
All non-EAP formula subgrants	\$25,200***

\*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through -non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to \$1,000 per MSY if an applicant is able to show significant organizational financial need.

\*\* For the Education Award Program, AmeriCorps may provide a maximum of \$800 per individual enrolled in an approved national service position. If at least 50 percent of a program’s enrollees are disadvantaged youth, AmeriCorps may provide \$1,000 per enrollee, [42 U.S.C. § 12581a](#).

\*\*\*\$18,000 adjusted for inflation as measured by the Consumer Price Index for all Urban Consumers (As of March 2024 CPI was 0.4).

AmeriCorps may 1) treat an applicant as a professional corps if they meet the legal requirements for a professional corps (even if they did not submit a professional corps application); and 2) decide not to provide a grant to an organization that it determines cannot operate effectively without AmeriCorps operating funds.

**3. Costs Associated with Evidence Building Activities e.g. performance data collection and management, foundational research, program evaluation, etc.**

As noted in [2 CFR § 200.455](#), costs associated with evidence building activities are allowable expenses or match under AmeriCorps grants. This includes costs related to performance data collection and management, foundational research, program evaluation, and related activities.

**D.6.b. Indirect Costs**

Application budgets may include indirect costs. Based on qualifying factors, applicants may –

- a. use the AmeriCorps-Fixed Percentage method (five/ten percent fixed administrative cost option) outlined in AmeriCorps’ [Indirect Cost Guidance](#);
- b. use a Federally approved indirect cost rate if they have one;
- c. use a 15 percent *de minimis* rate of modified total direct costs; or

- d. [may claim certain costs directly](#).

No more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants under section 121(d) of the [National and Community Service Act of 1990](#), as amended and AmeriCorps' regulations at [45 CFR 2521.95](#) and [2540.110](#)."

Use the [eGrants Indirect Cost Rate \(IDCR\) User Instructions](#) to enter the organization's indirect cost rate. Applicants should not submit documentation addressing the cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to [IndirectCostRate@americorps.gov](mailto:IndirectCostRate@americorps.gov). The applicant may also obtain instructions and additional information by contacting the email address above.

### **D.6.c. Pre-Award Costs**

Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

## **D.7. Other Submission Requirements**

### **D.7.a. Electronic Application Submission**

Applicants must submit applications electronically via AmeriCorps' web-based application system.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own account to sign and submit the application.

Applicants should contact the [AmeriCorps Hotline](#) at (800) 942-2677 if they have a problem when they create an account, prepare, or submit the application. Information about the AmeriCorps Hotline hours are also posted on the [AmeriCorps Hotline webpage](#).

When contacting the AmeriCorps Hotline, be prepared to provide the application ID, organization name, and the name of the Notice to which the organization is applying. *Fixed amount grant applicants e.g., EAP, Full-Cost Fixed, No Cost Slots:*

In addition to the AmeriCorps investment, \$[amount of local, state, and Federal Funds] in public funding and \$[amount of non-governmental funds] in private funding will support the project.”

### **E.1.b. Program Design, 50 percent:**

#### **1. Community and Logic Model, 24 points**

The applicant will provide a detailed summary of the community problem, including:

- How the inequities faced by underserved communities may contribute to the problem.
- How the [CDC's Social Vulnerability Index](#) explains the extent of the problem.
- How the applicant's intervention(s) will lead to the outcomes identified in the organization's Logic Model.

The applicant must describe in the Logic Model

- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
  - Locations or sites in which members will provide services.
  - Setting and community condition where the intervention is delivered.
  - Number of AmeriCorps members who will deliver the intervention.
  - Characteristics of AmeriCorps members, including specific knowledge, skills, and abilities required to implement the intervention.
- The core activities that members will deliver as part of the intervention including:
  - Length of each activity (e.g., the total number of weeks, sessions, or months of the intervention).
  - Dosage of each activity (e.g., the number of hours per session or sessions per week).
  - Target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level).
- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted, equity gaps closed). If applicable, identify which [National Performance Measures](#) will be used as output indicators.
- Outcomes that result from the intervention, including meaningful changes in knowledge/skill, attitude, behavior, or condition. If applicable, identify which National Performance Measures will be used as outcome indicators.

Programs should include short, medium, or long-term outcomes. Applicants are not required to measure all components of their Logic Model. The applicant's performance measures should be consistent with the program's Logic Model and should represent significant program activities.

Applicants with multiple interventions should include the above information for each intervention in the logic model.

## **2. Evidence Base, 20 points**

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier. Second, the quality of the applicant's evidence, how the evidence aligns with funding priorities ([A.2 Funding Priorities section](#)), and how the evidence supports the proposed program.

### Evidence Tier, 12 points

Each applicant will receive an evidence tier assessment. This is based on the relative strength of the applicant's evidence base and the likelihood that the proposed intervention will lead to the outcomes identified in the Logic Model narrative.

AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, **applicants should not be deterred from applying for funding due to their current evidence level**. In 2024, the evidence tiers of successful AmeriCorps State and National applicants that were competing were as follows: Strong 55 percent, Moderate 16 percent, Preliminary 19 percent, and Pre-Preliminary 11 percent.

To qualify for the Preliminary, Moderate, or Strong evidence tier, applicants may submit up to two evidence documents, plus the evaluation report from their last three-year grant cycle, if applicable. If multiple evidence documents are submitted by the applicant, the most recent - as measured by the date of completion or publication- will be reviewed first, and any documents submitted beyond the allowable number will not be reviewed.

The intervention evaluated in the submitted evidence documents must match the intervention proposed by the applicant in the Community and Logic Model sections of the application. Use the [Mandatory Supplemental Information](#) for a definition of same intervention). Applicants must meet all requirements of an evidence tier to be considered for that tier.

Submitted evidence documents that do not sufficiently match the intervention will not be reviewed or receive any points.

In the Evidence Tier section of the application narrative, applicants must:

- Summarize the study design and key findings of the evidence documents submitted, plus, if applicable, the evaluation report from their last three-year grant cycle; and
- Describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design.

Applicants should provide citations for the studies they describe.

### Evidence Quality, 8 points

Reviewers will score the quality of an applicant's evidence and the extent to which it supports the proposed program design.

Standards for scoring in the Preliminary, Moderate, or Strong evidence tiers:  
Submitted evidence documents:

- Are of satisfactory methodological quality and rigor for the type of evaluation conducted e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.;
- Describe evaluations that were conducted relatively recently, preferably within the last six years; and
- Show a meaningful and significant positive effect on program beneficiaries or AmeriCorps members in at least one key outcome of interest.

Standards for scoring in the Pre-Preliminary evidence tier:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years; and
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries or AmeriCorps members in at least one key outcome of interest.

E.g., structure for member supervision: cadence and format of supervisor/AmeriCorps member check-ins, member and supervisor opportunities to assess strengths and opportunities for growth, member training plan, etc.

E.g., structure for support of supervisors, training plan for supervisors related to supervision and AmeriCorps rules and regulations, cadence and format of AmeriCorps supervisors/their supervisors check ins, opportunities to assess strengths and opportunities for growth of supervisors, etc.

### **3. Commitment to Diversity, Equity, Inclusion, and Accessibility, 4 points**

AmeriCorps staff will review the initial results for fairness and consistency. Some applications may be selected for a Post-Review Quality Control assessment.

### **E.2.c. Pre-Award Risk Assessment**
